GA229

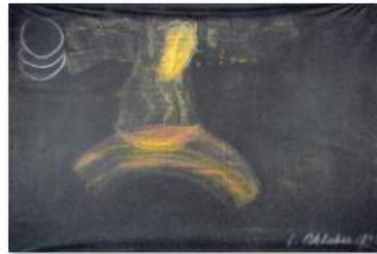

1) Mensch
die bildet ein kleines Stück
Die Oberfläche ist seinem Stoffwerk mit
In jedem dieser Stücke
Es wird die Haut geformt und wenn
Korn die sich offenbart
Seine große Bedeutung.

GA234

Es gibt eine Natur, aber der Mensch
kann an die Natur mit herankommen,
indem er sich von ihr weisheitlich löst.

Es gibt eine Menschheit, aber die Natur
kann an diese Menschheit mit herankommen, nicht
als wenn sie herabgelassen wird.
